### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: With regards to claims 2-15, 17-30,32 and 34-49, the prior art of record does not disclose or fairly teach the coupling between the input port and the output port (or quadrature ports) being provided by coupling lines. With regards to claims 33 and 50-58, the prior art of record does not disclose or fairly teach an input bias voltage being applied to the varactor diode. With regards to claims 31, the prior art of record does not disclose or fairly teach a RF choke being applied between the bias voltage and one of the quadrature ports.

### ***Information Disclosure Statement***

The information disclosure statement filed 10/29/04 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because documents AT and AU do not disclose a date. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 ¶ C(1).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
